

## QASource Announces New Hires In Pleasanton Headquarters

PLEASANTON, CA, June 12, 2017 - [QASource](#), one of the world's leading software QA services providers, has announced that it has hired four new employees in its Pleasanton headquarters, representing sales, marketing, and client services functions.

"These new team members are key to our continued growth," said Rick Rampton, Head of Client Success. "QASource is poised to more than double in size by 2022, and we have our eye on becoming the top-ranked QA company in the world. These individuals have the skills we require to meet that future."

The company's new hires are:

### Rob Vollgraf, Account Executive

Rob Vollgraf has more than 20 years' experience in territory expansion, key account management, and exceeding quotas within rapidly changing and fiercely competitive markets. Previous to joining QASource, Vollgraf served as Director of Market Development at Steelwedge, a planning platform; Area Sales Manager at turnkey workspace provider Regus; Outside Sales Media Consultant at marketing solutions leader Dex Media; Regional Sales Manager for UPS; and in similar positions at companies such as Countrywide, Exact, BMC Software and SBC. At QASource, Vollgraf is responsible for closing deals and growing the business.

### Amanda Sturdevant, Senior Content Writer

Amanda Sturdevant graduated from Simpson University in 2016 with a degree in English, a specialization in writing, and a minor in journalism. While at Simpson, Sturdevant was a staff writer and copy editor for the university newspaper, The Simpson Slate, and mentored other students in the university's writing center. She formerly created content for Odyssey, an online magazine, and interned as an editor for Positive Perspective, a local magazine. As a content writer for QASource, Sturdevant writes for marketing purposes, including blog posts and infographics.

### Lynn Christiansen Esquer, Marketing

Before joining QASource, Lynn Christiansen Esquer was President and Founder of marketing agency SocialProse Media for six years. Previously, she was Marketing Director at The Open Group, the world's leading IT standards organization; Management Supervisor at PR agency Peppercomm San Francisco; Director at full-service marketing agency Shennum Green, Inc.; and Vice President of Client Services at full-service marketing agency e-agency, Inc. In her previous life as a journalist, Christiansen Esquer was a reporter and editor at The Contra Costa Times, The Oakland Tribune, The Californian, and several other publications in the San Francisco Bay Area and Los Angeles regions. She founded the Central Coast Press Club to provide media support and continuing education for television and print journalists and public relations professionals in the Monterey County/Santa Cruz County region. She has sat on the board of Silicon Valley media startup DigNit, edited a series of books on politics, and currently serves on several committees in the Alameda Unified School District. At QASource, Christiansen Esquer is responsible for overseeing and implementing all marketing activity.

### Dan Nelson, Account Manager

Before joining QASource, Dan Nelson served as Account Manager at online community Manta, where he supported new and existing clients in the pre- and post-sales process; Digital Advertising Consultant for YP's full suite of products; Consultant for career development website nuResume.com; Director of Online Advertising at the San Francisco Examiner; Interactive Product Manager at Bay Area News Group; Sales Executive/Major Accounts at the Contra Costa Times; and several other similar positions. A graduate of the University of Oregon, Nelson has been a professional runner and volunteered for youth programs. His responsibilities at QASource involve being the liaison between long-term clients and QASource engineering teams.
